## WHO WE ARE

We are a Canadian owned and run manufacturer of high quality eyewear at affordable prices. Located in the heart of Vaughan, and backed by a team of experienced professionals, we are confident that you'll love our eyewear. Look good and impeccable fit at an affordable price, your clients will easily be able to compliment any look. Every collection offers a wide range of styles for all ages and faces guaranteed to fit to perfection!

Our mission is to create value for our clients through product quality, variety and operational excellence. Every piece in our collection is sure to impress.

## SEE WHAT MATTERS

Where excellent quality meets the highest of expectations. Impeccable fit, outstanding quality, stunning look at affordable pricing! Our collections feature something for everyone. Backed by our 2 year warranty on most models, and service you just can't beat.

You will be amazed by how easy it is to sell our ophthalmic, and sun collections.

Sleek design, intricate details, sophisticated, fun, and stylish collections will have clients turning heads. Choose among the latest styles in models, available in different colours, and sizes, including a polarized sun collection.
